10. Work every day towards an Outcome.
11. Control the telephone and email.
12. Learn how to terminate discussions.
13. Delegate
 - a. Define the task, output clearly. What results do you expect? Agree on clear targets, goals, objectives.
 - b. Delegate to a person with demonstrated competence.
 - c. Parameters/Guidelines - Explain the framework, constraints and rules
 - d. Resources Available – Explain the people, money, materials and tools.
 - e. Give a schedule/deadline.
 - f. Invite questions and feedback...Even better is to ask them to repeat it back to you.
 - g. Measures/metrics – Inspect what you expect. What gets measured is what gets done. What gets measured is what gets managed. You can't change it if you can't measure it.
 - h. Consequences – For performance or nonperformance...payment rewards, incentives.

DELEGATION IS NOT ABDICATION

Delegate everything that anyone else can do at a lower hourly rate than you earn.

Free up every minute possible for doing those things that only you can do.

14. 8 STEPS TO SIMPLIFICATION

- a. Focus – on higher value, more important outcomes and priorities;
