Interview Questions

1. **Please walk me through a typical day at your current or previous job and tell me about your boss and your relationship to him/her.**

Tests resume against job title and actual duties. Probes their level of supervision and amount of autonomy. Shows the level they think on... daily or longer term.

2. **What do you know about us and this company?
Why are you interested in this job?**

Is this just another job or did they actually do some homework?

3. **What are the biggest strengths you will bring to this organization?
What are 5 things you love to do at work?**

Looking for them to sell their abilities and for specific accomplishments. See if they mention multitasking and working as part of a team.

4. **What are the things you don't like to do or don't want to work on? What about your previous job frustrated you the most?**

A less threatening way to ask about weaknesses. Can they be honest or open with where they might need help. Do the job requirements need these traits or skills?

5. **What do you think are the 5 most important things for you to be successful in this job?**

Tests focus ... individual strengths vs. team/greater goals of the Company.

6. **Why have you decided to leave your current/previous job?**

Dig deeply here and ask follow-up questions. What is driving THIS person to apply for THIS job?

- 7. What are some of the things your current employer could do differently to be more successful?**

Sour Grapes or constructive criticism? What is their level of thinking...big or small?

- 8. Where would you like to be in 3-5 years in your career**

Tests level of ambition and willingness to think ahead. What are their goals?
