

## Practice: Write an Observation

The following Test Card was put together by Lifetree Bank's innovation team. Next to the Test Card you can see the evidence that was collected during the experiment.

Have a look and try to write your **observation for the Learning Card** (step 2) in the text box below. Don't fill out step 3 and 4 yet. We will present you with a sample solution for step 2 on the next page.

We observed...
