# Owlet Case Study

## How would you score Owlet?

Total time: 20 minutes

Within 24 weeks, Owlet has been able to validate a number of hypotheses for their business idea. If you were an investor and used the Innovation Project Scorecard to evaluate Owlet, what scores would you give them?

**Directions:**

1. Watch the final video snippet.
2. Download the Innovation Project Scorecard and give Owlet scores for Risk Reduction (Desirability, Feasibility, Viability and Adaptability), as well as the Opportunity.
3. What would you recommend Owlet still needs to test beyond what they mentioned in the video? Capture your thoughts in the text box below.
